

Problem of the Week #2

Due 9/7/12 by 3:15 PM

Turn in to Matt Mistele, Jack Kim, Scott Renshaw, Mrs. Morin, or the Math Office (Room 211)

Or email to 14srenshaw@ransomeverglades.org

In the multiplication problem below, every letter represents a digit. Can you determine the value of each letter?

$$\begin{array}{r} \\ X \\ \hline \\ \\ \\ \hline \end{array}$$
